INFORMATION REGARDING THE BOARD AND ITS COMMITTEES

The Company is a "controlled company" under the corporate governance rules of NASDAQ. Therefore the Company is not required to and does not have (1) a majority of independent directors; (2) a nominating committee comprised solely of independent directors to identify and recommend nominees to the Board of Directors; or (3) a compensation committee comprised solely of independent directors. The Company qualifies as a controlled company due to the ownership by the Sumas Family Group of shares allowing it to cast more than 50% of the votes eligible to be cast for the election of directors. The Board of Directors has determined that each nonmanagement director is independent as defined by the Rules of the SEC and the listing standards of NASDAQ.

The Board held four meetings in fiscal 2011. All directors attended at least 75% of the meetings of the Board, and meetings of Board committees on which the director served, during the time such director served on the Board or committee.

The Executive Committee, which consists of James Sumas, Robert Sumas, William Sumas and John P. Sumas, meets on call and is authorized to act on all matters pertaining to corporate policies and overall Company performance.

Board Leadership Structure and Role in Risk Oversight

The Board believes that, at the present time, the interests of the Company and its shareholders are best served by having its Chief Executive Officer, James Sumas, also serve as Chairman of the Board. The CEO is the person most familiar with the Company's business and industry, strategies and challenges. The Board believes that the combined role of Chairman and CEO promotes unified leadership and direction for the Company.

Management is responsible for the day to day management of the risks that the Company faces, while the Board as a whole and through its committees, has responsibility for the oversight of risk management. The Board and its committees receive periodic reports from financial, legal and other management members regarding the most significant risks facing the Company. In addition, the Audit Committee assists the Board in its oversight role by receiving periodic reports regarding the Company's risk and control environment.

The Compensation Committee

The Compensation Committee, which consists of James Sumas, John P. Sumas, Robert Sumas, John J. Sumas, Steven Crystal, David C. Judge and Peter Lavoy, has the primary responsibility for establishing the compensation paid to executive officers of the Company. This includes base salary, bonus awards, employment agreements and supplemental retirement plans. The full Board of Directors reviews and approves restricted share awards and stock option grants. During fiscal 2011, the Compensation Committee met twice. The Compensation Committee does not utilize a charter.

The Audit Committee

The Audit Committee is comprised of four directors, Steven Crystal, Peter Lavoy, Stephen Rooney and David C. Judge, each of whom is independent as defined by the listing standards of NASDAQ. The Audit Committee: (1) monitors the integrity of the Company's financial reporting process and systems of internal controls regarding financial, accounting, regulatory and legal compliance; (2) retains and monitors the independence and performance of the Company's independent auditors; (3) provides an avenue of communication among the independent auditors, management and the Board of Directors; and (4) approves in advance the fees paid to the independent auditing firm for all services provided. The Audit Committee operates under a charter adopted by the Board of Directors, which is attached to the 2010 proxy statement as Appendix A. During fiscal 2011, the Audit Committee met ten times.

The Board of Directors has determined that David C. Judge is an "audit committee financial expert" as defined by applicable SEC regulations and that all members of the Audit Committee are able to read and understand financial statements as required by NASDAQ regulations.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is comprised of four independent directors, as defined by the rules of the SEC and the listing standards of NASDAQ, and operates under a charter adopted by the Board of Directors. The members of the Committee are Steven Crystal (Chair), Peter Lavoy, Stephen Rooney and David C. Judge. The Committee appoints the Company's independent auditors.

Management is responsible for the Company's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon. In addition, the independent auditors are responsible for expressing an opinion on the effectiveness of the Company's internal control over financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes.

In the performance of its oversight function, the Audit Committee has reviewed and discussed with management and the independent auditors the audited financial statements for the year ended July 30, 2011, management's assessment of the effectiveness of the Company's internal control over financial reporting as of July 30, 2011, and the independent auditor's evaluation of the effectiveness of the Company's internal control over financial reporting as of that date. The Audit Committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees) as amended, and as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The Company's independent auditors also provided to the Audit Committee the written disclosures required by Public Company Accounting Oversight Board Rule 3526 (Communication with Audit Committees Concerning Independence), and the Audit Committee discussed with the independent auditors that firm's independence. On the basis of these items, the Audit Committee determined that KPMG is independent.

Based upon the Audit Committee's discussions with management and the independent auditors and the Audit Committee's review of the representations of management and the report of the independent auditors, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended July 30, 2011 filed with the Securities and Exchange Commission.

The following table presents fees for professional services rendered by KPMG LLP for the audit of the Company's annual consolidated financial statements for fiscal 2011 and 2010, and fees billed for other services rendered by KPMG LLP:

	<u>2011</u>	<u>2010</u>
Audit fees(1)	\$521,000	\$550,000
Audit-related fees.	—	—
Tax fees(2)	55,000	50,000
All other fees.	—	—
Total fees	<u>\$576,000</u>	<u>\$600,000</u>

-
- (1) Audit fees consist of audits of the annual consolidated financial statements and the effectiveness of internal control over financial reporting, quarterly reviews and services provided in connection with statutory and regulatory filing engagements, including issuance of consents.
 - (2) Tax fees consist of fees for tax compliance and consultation services.

The Audit Committee has considered whether the providing of non-audit services is compatible with maintaining the auditors' independence. The Audit Committee pre-approves all services provided by the principal auditors.

NOMINATION OF CANDIDATES TO THE BOARD OF DIRECTORS

The full Board of Directors acts on all matters concerning the identification, evaluation and nomination of director candidates. The Board does not utilize a charter in performing this function. In searching for appropriate candidates, the Board adheres to criteria established for the consideration and selection of candidates. The Board views the candidate's qualifications in light of the needs of the Board and the Company at that time given the then current mix of director attributes. Among other criteria, the Board may consider the following skills, attributes and competencies of a new member: (i) possessing the highest ethical standards and integrity; (ii) a willingness to act on and be accountable for Board decisions; (iii) an ability to provide prudent, informed and thoughtful counsel to top management on a broad range of issues; (iv) relevant industry or business knowledge; (v) senior management experience and demonstrated leadership; (vi) financial literacy; and (vii) individual backgrounds that provide a portfolio of experience and knowledge commensurate with the Company's needs. All communications will be forwarded except those that are related to Company products, are solicitations, or otherwise relate to improper or irrelevant topics, as determined in the sole discretion of the Secretary. The Secretary shall report to the Board of Directors on the number and nature of communications that were determined not to be forwarded.

The Company has a policy of requiring all directors standing for election at the annual meeting of shareholders to attend such meeting, unless unforeseen circumstances arise. All eleven directors attended the 2010 annual meeting of shareholders held on December 17, 2010.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

The Compensation Committee of the Board has the primary responsibility for establishing the compensation paid to the executive officers of the Company, including the named executive officers who are identified in the Summary Compensation Table below. This includes base salary, bonus awards, employment agreements and supplemental retirement plans. The full Board of Directors reviews and approves restricted share awards and stock option grants. The Compensation Committee consists of James Sumas, Chairman of the Board of Directors and Chief Executive Officer; John P. Sumas, Executive Vice President; Robert Sumas, President and Chief Operating Officer; John J. Sumas, Vice President — General Counsel; Steven Crystal, David C. Judge and Peter R. Lavoy, independent directors.

The primary objective of the Company's executive compensation program is to attract, motivate and retain executive officers of outstanding ability and to align the interests of these executive officers with the interests of shareholders. Most of the named executive officers own a substantial amount of the Company's common stock and thus have a direct and substantial interest in the long-term growth of shareholder's wealth. In light of this ownership, there is less need to directly relate compensation for the named executive officers to long-term Company performance.

Neither management nor the Compensation Committee currently engages any consultant related to executive or director compensation matters. In setting compensation levels the Committee considers the overall level of responsibility and performance of the individual executive, compensation levels of executive officers obtained through commercially available survey data, compensation of executive officers obtained through reviews of annual proxy statements, compensation paid to corporate executives of Wakefern and other ShopRite members, the financial performance of the Company and other achievements during the most recently completed fiscal year, overall economic conditions, and competitive operating conditions. The Compensation Committee does not specifically benchmark to compensation data obtained, but rather subjectively utilizes the above factors in setting compensation for the named executive officers. The Compensation Committee subjectively determines, without the use of performance targets, individual performance in the following areas: increased responsibilities, performance of departments under the executive's control, leadership, execution of strategic initiatives and decision making abilities. Although financial performance of the Company is a factor in setting executive compensation, financial and other performance targets are not utilized.

The Company's executive compensation for the named executive officers includes the following components: base salary, annual bonus plan, restricted stock awards, retirement benefits and other benefits.

Salary

Named executive officers are paid a base salary with annual increases at the discretion of the Compensation Committee. In addition to the competitive data outlined above and Company performance, individual factors are also considered in setting base salaries. The Compensation Committee subjectively determines, without the use of performance targets, individual performance in the following areas: increased responsibilities, performance of departments under the executive's control, leadership, execution of strategic initiatives and decision making abilities. Based on subjective and qualitative considerations, the Compensation Committee granted raises to each of the named executive officers of approximately 3% in fiscal 2011.

Annual Bonus

The Company's executive compensation program includes an annual non-equity incentive cash bonus designed to reward executive officers for overall Company success and individual performance. The actual bonus amounts earned by the named executive officers are reflected in the Summary Compensation Table in the fiscal year earned, even though these bonus amounts are paid in the subsequent year. The Compensation Committee subjectively determines, without the use of performance targets, individual performance in the following areas: increased responsibilities, performance of departments under the executive's control, leadership, execution of strategic initiatives and decision making abilities. The bonuses awarded in fiscal 2011 by the Committee, which represents a 3% increase from fiscal 2010 and a slight decrease from fiscal 2009, also considered the Company's 6%

increase in net income and EBITDA, excluding nonrecurring items, amid a poor economic environment. Although the annual bonus award is not targeted as a specific percentage of the named executive officer's base salary, the bonus awards in fiscal 2011 range from 38% to 46% of base salary. In addition, an employment agreement with Mr. Begley requires the Company to pay a retention bonus of a minimum of \$75,000 per year, payable one year after such bonus is earned, conditioned on Mr. Begley's continued employment with the Company.

Equity

Awards based on the Company's common stock have been granted periodically to the named executive officers and approximately sixty other employees. During fiscal 2011, the Company granted 26,000 restricted shares to each of the named executive officers. Additional information about these awards is included in the tables that follow. The Compensation Committee believes equity awards align the interest of employees with the interest of shareholders. The Company has utilized both restricted share grants and option grants. The last grant of stock options to named executive officers occurred in 1997. The Compensation Committee considers several factors in determining the amounts of stock based awards granted to the named executive officers, including the officer's level in the organization, individual performance and comparison to compensation levels at similar companies. The Compensation Committee subjectively determines, without the use of performance targets, individual performance in the following areas: increased responsibilities, performance of departments under the executive's control, leadership, execution of strategic initiatives and decision making abilities.

The Company has historically set the exercise price for stock options as the closing price of the Company's Class A common stock on the date of grant. Options have generally been granted at the Board of Director's meeting held in December, which is shortly after the release of first quarter earnings.

The Company does not have specific equity ownership guidelines, although as noted above, all of the named executive officers own a substantial amount of the Company's common stock.

Retirement Benefits

The Company maintains a defined benefit and a defined contribution plan for its non-union employees. The named executive officers participate in both of these plans, as well as a supplemental executive retirement plan. Additional details regarding retirement benefits available to the named executive officers can be found in the 2011 Pension Benefits Table and the accompanying narrative description that follows this discussion and analysis.

Village also maintains a deferred compensation plan in which the named executive officers, as well as other supervisory employees, are eligible to participate. No officers currently participate in this plan, although one named executive officer previously participated in this plan. This plan is a nonqualified plan under which participants may elect to defer the receipt of a portion of their salary or bonus otherwise payable to them. Compensation deferred bears interest at the actual rate of return earned on the contributed assets, which are invested in mutual funds and thus is not a preferential rate of interest. Deferred amounts are paid out only in cash, in accordance with deferral options selected by the participant at the time the deferral election is made.

Other Benefits

The Company's group health, dental, vision and life insurance plans are available to eligible full-time and part-time employees. These plans do not discriminate in favor of the named executive officers. Non-employee directors of the Company's Board of Directors do not participate in these plans. The Company provides the named executive officers, as well as all supervisory personnel, a Company vehicle. The Company provides the named executive officers with long-term disability insurance. There are no other benefits provided to the named executive officers.

The Company believes the perquisites described above are necessary and appropriate in providing competitive compensation to our executive officers.

Employment Agreements

The Company entered into an employment agreement with Mr. Begley dated January 1, 2004. The original agreement expired December 31, 2006, but has been extended through December 31, 2011. Under the agreement, the Company agreed to pay Mr. Begley a base salary and bonus at least equal to that existing on the date of the

contract, with increases at least commensurate with the increases granted to the other executive officers of the Company. The Board of Directors may decrease Mr. Begley's compensation in proportion to decreases commensurate with the other executive officers of the Company. In addition, the Company agreed to pay Mr. Begley a retention bonus of a minimum of \$75,000 per year payable one year after such bonus is earned, conditioned on Mr. Begley's continued employment with the Company. This agreement contains a covenant not to compete with the Company. The agreement includes payments in the event of the termination of Mr. Begley within five years following a change in control. The change in control and termination payment due is calculated as five years of current base salary plus bonus using the previous five years average, less amounts paid subsequent to the change in control. If the change in control and termination had occurred on July 30, 2011, the amount due would be \$4,300,000. There are no other severance payments or change in control agreements with named executive officers.

The Company's equity plans described above provide for accelerated vesting of options and restricted share grants in the event of a change in control of the Company. This potential acceleration applies to all employees receiving grants and does not discriminate in favor of the named executive officers.

Deductibility of Compensation

Section 162(m) of the Internal Revenue Code limits the deductibility of compensation paid to certain executive officers to \$1,000,000 annually. Compensation that is "qualified performance-based compensation" generally is not subject to this \$1,000,000 deduction limit. The Company's awards of restricted stock vest solely on the passage of time, are not performance based and, as a result, compensation expense for those awards are not deductible to the extent they exceed \$1,000,000.

Financial Statement Restatement

The Company does not have a policy relative to making retroactive adjustments to any incentive compensation paid to the named executive officers where payment was based on the achievement of results that were subsequently the subject of restatement. The Company has never restated its financial statements.

Risk Assessment of Compensation Policies and Practices

The Compensation Committee has assessed the compensation policies and practices for our employees and we have concluded that these policies and practices do not create risks that are reasonably likely to have a material adverse effect on the Company. In addition, the Compensation Committee believes that the mix and design of the elements of executive compensation do not encourage management to assume excessive risks.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed the Compensation Discussion and Analysis and discussed that analysis with management. Based on its review and discussions with management, the Compensation Committee has recommended to the Company's Board of Directors that the Compensation Discussion and Analysis be included in the Company's proxy statement and incorporated by reference into its annual report on Form 10-K. The report is provided by the following directors, who comprise the committee.

- (1) These amounts represent the grant date fair value of restricted share awards granted to the named executive officer with respect to the fiscal year. The compensation for fiscal 2011 is calculated for each named executive officer as 26,000 Class A restricted shares granted on March 18, 2011 times the \$27.51 grant price, which was the market value on the date of grant. Restrictions on these shares lapse on March 18, 2014, the third anniversary of the grant, as long as the officer is employed by the Company at that time. Any dividends declared on the Company's Class A common stock are payable on the restricted shares.
- (2) This amount shows the change in pension value in fiscal 2011. Amounts from the Nonqualified Deferred Compensation Table were omitted since the aggregate earnings amount included no above-market or preferential earnings.
- (3) In accordance with SEC rules, this table omits information regarding group life and health plans that do not discriminate in favor of executive officers of the Company and that are generally available to all salaried employees. The amounts shown in this column include employer costs related to personal use of Company automobiles, which is added to the named executive officers taxable earnings in accordance with IRS rules, long-term disability insurance premiums, and the Company's matching contribution to our 401(k) Plan.

(1) The present value of the accumulated benefit for each named executive officer reflects pension benefits payable at the earliest age the named executive officer may retire without significant benefit reductions, or current age, if later. The same assumptions used in Note 8 to the Village Super Market, Inc. audited financial statements in the 2011 Annual Report and the Management’s Discussion and Analysis included therein are used in calculating the present value of accumulated pension benefits.

The Company maintains a defined benefit pension plan (the Village Super Market Employees Retirement Plan, or “VSMERP”) for employees not covered by a collective bargaining agreement who have been employed with the Company for more than six months and who are over the age of twenty-one. For purposes of determining plan benefits, compensation is the regular base pay of the participant plus bonuses. Effective January 1, 1989, the plan benefit formula was amended. Retirement benefits are equal to the pension accrued to December 31, 1988 plus 1% of average compensation times each year of post-1988 service plus .75% of average compensation in excess of Table II of the 1989 Covered Compensation Table times each year of post-1988 service. Average compensation for post-1988 service is based on the five highest consecutive years’ compensation. Normal retirement date is age 65. Employees are eligible for early retirement upon the attainment of age 55 and the completion of at least 15 years of vested service. Benefits are reduced by $\frac{1}{15}$ for each of the first five years the early retirement date precedes normal retirement date and $\frac{1}{30}$ for each of the succeeding five years. The Company has never granted any extra years of credited service.

In addition to the defined benefit pension plan described above, the Company adopted the Supplemental Executive Retirement Plan of Village Super Market, Inc. (the “SERP”) effective January 1, 2004 for the named executive officers to compensate for limitations on benefits available through the VSMERP. Participants vest in the SERP benefit at a rate of 20% per year of service beginning in calendar 2004. The retirement benefit at normal retirement date for the SERP is calculated as 50% of the individual’s average compensation during his or her highest sixty consecutive months in the last ten years before retirement, reduced by both the benefit the participant is entitled to receive under the VSMERP and the amount of the participant’s social security benefits. Normal retirement is defined as the later of age 65 or five years of participation in the SERP. Early retirement is permitted upon the attainment of age 55 and the completion of at least five years of vesting service. Early retirement benefits are subject to a reduction of $\frac{1}{15}$ for each of the first five years the early retirement date precedes the normal retirement date and $\frac{1}{30}$ for each of the succeeding five years. Covered compensation under the SERP includes all salary and bonuses, whether paid in cash or deferred.

NONQUALIFIED DEFERRED COMPENSATION

The following table provides information on nonqualified deferred compensation for the named executive officers for fiscal 2011.

<u>Name</u>	<u>Executive Contributions in Last FY</u> (<u>\$</u>)	<u>Registrant Contributions in Last FY</u> (<u>\$</u>)	<u>Aggregate Earnings in Last FY</u> (<u>\$</u>)	<u>Aggregate Withdrawals/ Distributions</u> (<u>\$</u>)	<u>Aggregate Balance at Last FYE</u> (<u>\$</u>)

Kevin Begley	—	—	—	—	—
Robert Sumas	—	—	—	—	—
William Sumas	—	—	—	—	—
John P. Sumas	—	—	—	—	—

The named executive officers are eligible to participate in a nonqualified deferred compensation plan under which certain employees may elect to defer the receipt of up to 25% of their salary or 100% of their bonus otherwise payable to them, and thereby defer taxation of the deferred amount until actual payment in future years. Participants may elect to defer payment for a specified number of years or until retirement or termination of employment. Earnings on deferred amounts are allocated to individuals based on the actual performance of the invested funds, which is not a preferential rate.

PROPOSAL 3 — ADVISORY VOTE ON EXECUTIVE COMPENSATION

We are providing our shareholders with the opportunity to vote to approve, on a non-binding advisory basis, the compensation of our named executive officers, as disclosed in this Proxy Statement. The vote is advisory, which means that the vote is not binding on the Company, our Board of Directors or the Compensation Committee. Although the vote is advisory, the Compensation Committee will consider the outcome of the vote when making future executive compensation decisions. As described in detail in the “Executive Compensation” section beginning on page 8, the primary objective of our executive compensation programs is to attract, motivate and retain executive officers of outstanding ability and to align the interest of these executive officers with the interests of shareholders. We urge you to read carefully the Compensation Discussion and Analysis, the compensation tables, and the related narrative discussion in this proxy statement.

In view of the foregoing, shareholders will vote on the following resolution at the 2011 Annual Shareholders’ Meeting:

“Resolved, that the shareholders approve, on a non-binding advisory basis, the compensation of the Company’s named executive officers, as disclosed in Village Super Market, Inc.’s Proxy Statement for the 2011 Annual Shareholder’s meeting.”

The Board recommends that the shareholders’ vote FOR this proposal.

PROPOSAL 4 — ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

SEC rules requires that we provide shareholders the opportunity to vote, on a non-binding advisory basis, on how frequently the Company should seek an advisory vote on executive compensation. Shareholders may indicate whether they prefer the vote occur every one, two or three years or they may abstain. As an advisory vote, this proposal is not binding on the Company. However, the Board will take the outcome of the vote into consideration when determining the frequency of future advisory votes on executive compensation.

The Board of Directors recommends a vote for “three years” as the frequency of future advisory votes on executive compensation.

SHAREHOLDER PROPOSALS FOR 2012 ANNUAL MEETING

Any proposal that a shareholder intends to present at the Company’s 2012 Annual Meeting of Shareholders, presently scheduled to be held on December 15, 2012, and requests to be considered for inclusion in the Company’s Proxy Statement for the 2012 Annual Meeting, must be received by the Company no later than July 1, 2012.
